Handlers are required to provide their own scented articles in a plastic bag, for the Novice class, one cotton glove or cotton sock, for Advanced, Excellent, and Master, cotton balls or cotton swabs. Three qualifying scores are required to earn titles in each class. Handlers may utilize any method they feel is best to scent their article. Suggestions include rubbing the article on the handler's body or storing the item in dirty laundry.

No dog shall compete if it is sutured, bandaged, or has any visible wounds.

All entries, including wait listed entries, must be received by the Trial Secretary prior to **CLOSING DATE (Sat., AUG 24, 2024 @ 6PM)**. No entries may be withdrawn with a refund after closing. If a withdrawn entry is replaced by a wait listed entry, a full refund will be issued for the withdrawn entry. Any wait listed entry that does not move off the wait list into the trial will receive a full refund.

STAGING AREA, HANDLER'S BRIEFING, AND WARM-UP INFORMATION

Staging Area will be out of view of search area(s). Please consult the gate steward for each area. The secretary area will be for check-ins each day, move-ups/transfers for Sunday, and posting of results.

The **Handler's Briefing** will take place when and where at the judge's discretion for each element/level, after the hide(s) have been set and after the Demo Dog has run. In the Handler's Briefing the judge will explain if there's an off-leash option, number of hides, maximum height of hides and maximum time for the search. **NO DOGS** are to be present during the Handler's Briefing.

A **warm-up area** will be available consisting of ONE marked container of each odor being tested at the trial and may also consist of blanks containers. Exhibitors should limit their warm-up to (2) two minutes or less. The warm-up area is to be used exclusively for warming up the handler-dog team prior to their run, or for recovery after the run. The warm-up area is not for training or relieving of the dog.

SEARCH AREA AND RING CONDITIONS

Search areas may be of any shape, and of the size specified in the Regulations for each class. **Driving to the various areas is recommended. Class B&C RV's to park near HQ and use other means of transportation to travel to some sites in the camp.**

Search Area Conditions. Searches may be indoors, on matted, carpeted, or tiled surfaces, or outdoors on grass, gravel, sand, earth, concrete, or asphalt surfaces.

ADDITIONAL SITE INFORMATION

Trial Site. It is not appropriate to visit the trial location prior to the trial date. Many search locations are real-life environments and such visits may risk the host losing the opportunity to use the location in the future.

Possession of Odors and Training. Chapter 5. Section 26 of the Scent Work Regulations state "No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area".

Spectator Area. Spectators are encouraged. Any person not handling a dog in the current class, or any person who has already completed their run in the class may choose to watch the search from the spectator area. Handlers may not watch other exhibitors from their class prior to their run except in the case of Handler Discrimination classes. No one outside the search area may assist the handler or disclose the location of the hide. Spectators who intentionally or unintentionally give aid to a team may be asked to leave the area by the judge. Spectators are forbidden to discuss details of the search until the completion of the class.

Crating will be from your vehicle. No indoor crating space is available.

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds.

RIBBONS, AWARDS, AND PRIZES (SELF-SERVE)

Placement ribbons will be awarded in each class as follows:

- First PlaceBlue
- Second PlaceRed
- Third PlaceYellow
- Fourth PlaceWhite
- Qualifying ScoreDark Green

Green qualifying rosettes will be awarded for each qualifying run.

A **New Title rosette** will be awarded to all dog and handler teams finishing an overall level title (SWN, SWA, SWE, SWM, SHDN, SHDA, SHDE, SHDM), as well as an element title (SCN, SIN, SBM, etc.)

New Detective Title Rosettes are available.

High in Trial

Only teams who participate in all elements offered (Container, Interior, Exterior, Buried), and qualify in each are eligible to win **High in Trial**. One High In Trial winner is chosen; there is no separate High In Trial for the Novice A and Novice B sections.

The High in Trial is determined by adding the team's faults across the elements. If there is a tie based on faults, then the team's times across the elements will be summed and the faster-finishing team will win.

Teams winning High In Trial will earn a rosette.

All exhibitors should obtain a copy of the Regulations for Scent Work, by downloading them here: <http://images.akc.org/pdf/rulebooks/RSW001.pdf>

NOTICE TO EXHIBITORS

SAFETY, BEHAVIOR and LIABILITY

The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all searches safely. **It is expressly understood** that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The Fort Wayne Obedience Training Club (FWOTC) and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The FWOTC reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the FWOTC or any official thereof.

Collars, Leashes and Harnesses. During searches, dogs must wear a properly fitted collar or harness approved by the judge. A wearable camera such as a Go Pro may be mounted to the dog's harness, if desired. Leashes may be of any length and/or retractable. The leash should be made of plain, pliable material.

All dogs must be on leash at all times, and retractable leashes may not be used when on trial grounds (except during judged searches). Dogs must enter and exit the search area with the leash attached to the collar or harness, including when waiting in the search area before and after the search. An off-leash option may be offered at the discretion of the judge, only if the area is completely enclosed.

REFUNDS

No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Trial Committee. Dogs pulled after closing because of injury or other medical conditions are not eligible for a refund.

Bitches in season will be refunded the full entry fee. Notification in writing must be given to the trial secretary no later than one half hour prior to the start of the first class of the day of the trial.

RINGSIDE

Judges are not required to wait for dogs. The Owner of each dog is solely responsible for having it ready at the search area when it is to be judged. The Club has no responsibility to provide service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

EXHIBITOR CHECK-IN: At check-in you will receive your armband number and site map. After closing, the class order and time and location for check-in is determined all exhibitors will be notified by email.

Exhibitors MUST check-in EACH day they are entered. The camp also requires a sign-in sheet.

This is the only way we know if you are at the trial!

Claims will not be arbitrated as set forth on the Official AKC Entry Form for this event.

"Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations." Additionally, clubs should include any specific local or state health requirements, for example, proof of rabies vaccination.
